Dear [FIRST NAME]:

On May 25, 2019, Anthem sent letters to its health plan participants informing you that your provider at Dermatology Associates will no longer be part of Anthem's health plan network effective July 17, 2019.

You may have concluded that you will no longer be permitted to see any of the providers at Dermatology Associates or that you will experience greater out-of-pocket medical expenses.

You are still permitted to see your provider at Dermatology Associates. We remain in network as participating providers with Anthem through the Blue Cross, Blue Shield of Tennessee, BlueCard program.

Dermatology Associates will continue to collect out-of-pocket expenses just like it always has. Medical expenses such as office visit copays should remain the same.

If you have any questions, please do not hesitate contacting Dermatology Associates at (423) 246-4961 or your member service number listed on the back of your Anthem health insurance card.

Sincerely,

The Physicians at Dermatology Associates
