

DERMATOLOGY ASSOCIATES WELCOMES DR. CASEY WATKINS

For over 35 years, Dermatology Associates has provided the most up-to-date skin care techniques and procedures. We have grown and adapted our practice to become the largest, most comprehensive dermatology practice in the Tri-Cities region. In keeping with this mission, we are pleased to announce the newest addition to our healthcare team: Dr. Casey Watkins.

Dr. Watkins hails from Charlotte, NC and received her undergraduate degree from the University of North Carolina at Chapel Hill. After college, she attended medical school at ETSU Quillen College of Medicine, where she fell in love with the beautiful mountain scenery of northeast Tennessee. She returned to Charlotte to complete her intern year at Carolinas Medical Center and in 2013, she began her dermatology residency at Wake Forest in Winston Salem, NC. She was able to train with a diverse faculty and some of the most highly respected experts in the field of dermatology. Though she spent most of her life in North Carolina, she is excited to have the opportunity to return to the Tri-Cities area to join Dermatology Associates.

With the addition of Dr. Watkins, Dermatology Associates has 10 board certified dermatologists, as well as 5 nurse practitioners and 3 physician's assistants. Our offices are located in Bristol, Johnson City, and Kingsport. Dr. Watkins will begin seeing patients at our Kingsport office in August. To schedule an appointment to see Dr. Watkins for all of your dermatologic needs, contact our Kingsport office at (423) 246-4961.
