**Does severe underarm sweating limit your choices?  
If so, you may have a medical condition your doctor can treat.**

The actual procedure  
takes about 15 minutes

The results can last 6  
months

Your insurance may  
cover the procedure

If you are interested in treatment for excessive underarm sweating (Hyperhidrosis) visit us or go to [www.DontSweat-it.com](http://www.DontSweat-it.com) for more information.
